

For over 20 years, global economic forces have been dismantling public education in Mexico, but always in the constant shadow of popular resistance...

This is the story of that resistance

\$5 Donation

No one turned away, donations will go to support the teachers of Oaxaca Mexico.

A film that tells the story of hundreds of thousands of public school teachers whose grassroots, non-violent movement took Mexico by surprise, and who have endured brutal repression in their 25-year struggle for social and economic justice in Mexico's public schools.

The evening will include an update on the current situation in Oaxaca, Mexico where a teachers strike which began in May has led to a huge popular uprising in the face of brutal state repression.
